Simply upload your file and share the link. Our service is completely free for everyone. There are no restrictions on the number of times a file can be downloaded. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. You don't need any special software installed to be ableto download your files. You can upload any type of file (movies, music, documents, images, zip files and more). Using file, you can circumvent those limits without paying to upgrade your team chat service. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. No account or credit card is required to get started. So try our free and simple filehosting service now. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you moneyin data storage fees. filehosting provides an easy possibility for you to send large files to your friends. Any file in any format can be uploaded and downloadedfor free. The cost of that data transfer is covered by your internet service or the data plan on your phone. We have no file size limit. Why pay storage fees for afile that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Ifonly we could, we surely would! On the other hand, using file can actually save you money. Just upload the file you want to share with your friends and wesend you a download link to your file. You can give this download link to your friends by mail or instant messenger. You decide who you want to share yourfiles with.

File is free to use with no gotchas and no hidden fees. When you use file, you avoid storing the file you're sending in your cloud storage or mailserver.

Alternatively you can choose to share your download links on blogs, forums and social networking sites. Keep your files private, or send your downloadlinks only to friends or family. Files can be downloaded from any computer from our high speed servers. It is also allowed to link to the download page fromwebsites and communities. Unfortunately, we can't make that part free.
